

Project Engineer :: Synopsis
Fiorilli Construction, Inc. Cleveland, OH

Fiorilli Construction is a high growth General Contracting, Design Build, and Construction Management firm focusing on enhancing our relationships locally, within the Midwest and expanding nationwide. We are currently seeking dedicated, creative, high performing rock star in our industry who understand the teamwork and trust that is required in the commercial construction industry along with our hyper-growth culture.

We are exceptional in the construction field, have integrity in all we do, and believe in contributing to an amazing culture within our work environment. We believe in the philosophy of work hard, play hard. We all have various interests outside of the office; we are committed to family, and are passionate about our lifestyles. At the end of the day, building synergistic authentic relationships is our #1 priority. We do not believe that this is just a job, but a passion and we bring that to each and every project that we do.

We are looking for exceptional, seasoned commercial construction experts able to service clientele for a large variety of construction projects and take responsibility for all project productivity, communications, and controls while operating effectively and efficiently in a collaborative environment. Ideal candidates must be passionate about providing outstanding services to deliver a great product while demonstrating a strong sense of accountability.

Executive Summary

The Company's initial primary goal for your position is to utilize your skills as a Project Engineer for all variations of projects, large or small, timing with other assignments permitting.
